Excellent Choice for Hard to Work Resins

MS3000 Rust Penetrant

An all-purpose penetrant, moisture displacer, rust preventer, lubricant and cleaner. Protects bare metal against rust and corrosion for up to six months of indoor storage. An invaluable part of any plant operation or tool kit. Independent tests have shown Camie 3000 to perform better than most popular brands in depth of penetration, speed and lubrication, while displacing moisture and loosening frozen threads.

Packaged twelve 16 fluid ounce (11 oz. net weight) cans per case.
